

# Aiming High

Santa Cruz

I'm on the freeway  
My limits are lost  
And I'm doing it my way  
Babe i know it costs  
My head is loaded  
And I'm feeling wild  
Things may get wicked  
But cards are on my side  
You're not my problem  
You're not in my mind  
So keep your distance  
Get out my sight

We're aiming  
We're aiming high !  
And nothing  
Will stop our flight !

Take it back now  
I'll get it going  
I will show how  
We'll be rolling  
Everything here  
Will be ours  
Baby you'll see  
We Are Aiming High !

My deditation  
Will blow you away  
No medication  
Ain't gonna take it away  
The balls is rolling  
And it's growing fast  
I'll get it going  
Oh I'll make it last

We're aiming  
We're aiming high !  
And nothing  
Will stop our flight !

Take it back now  
I'll get it going  
I will show how  
We'll be rolling  
Everything here  
Will be ours  
Baby you'll see  
We Are Aiming High !
