

# Raise The Devil

## Santa Hates You

Now, is the time  
Refuse to be abused  
Get up in time  
And all hell breaks loose  
Raise the devil,  
Raise raise the devil  
Raise the devil,  
Raise raise the devil  
Raise the devil,  
Raise raise the devil  
Raise the devil,  
Raise raise the devil  
Raise the devil,  
Raise raise the devil  
Raise the devil,  
Raise raise the devil  
Welcome to the world of rebels  
This is desire  
Conquer your fears, can't catch fire,  
A dream is hot, a shattered night now,  
Come around, enjoy the warfare  
Raise the devil,  
Raise raise the devil  
Raise the devil,  
Raise raise the devil  
Raise the devil,  
Raise raise the devil  
Welcome to the world of rebels  
Now, is the time  
Refuse to be abused  
Get up in time  
And all hell breaks loose  
This is desire  
Conquer your fears, can't catch fire,  
A dream is hot, a shattered night now,  
Come around, enjoy the warfare  
Dreadful,  
Captivating,  
So dismal  
So fascinating,  
So disgustingly,  
So gloriously,  
Human  
Raise the devil,  
Raise raise the devil  
Raise the devil,  
Raise raise the devil  
Raise the devil,  
Raise raise the devil  
Welcome to the world of rebels  
(Now, is the time)  
Raise the devil,  
Raise raise the devil  
(Enjoy the warfare)  
Raise the devil,  
Raise raise the devil  
(And all comes back)

Raise raise the devil  
(And all comes back)  
Raise raise the devil  
(And all comes back)  
Raise raise the devil  
Welcome to the world of rebels  
Raise the devil,  
Raise raise the devil  
Raise the devil,  
Raise raise the devil
