Night Hunting Time

Santana

Drunk all the whiskey
But I still can't get no rest
Brain trapped on a roller coaster
Got a pain in my chest

Cold water on my eyeballs Send a shiver up my spine Hit the street in the wee, wee hours This is the night hunting time

Don't know what I'm doing here Don't know what I'm doing here Got to get my senses clear

Stumble in off the footpath Heard the sounds from below Get accustomed to the darkness Got to take it real slow

Sweat streamin' down my cheekbones Smoke stingin' my eyes Walls drippin' like the jungle But this ain't no paradise

Don't know what I'm doing here Don't know what I'm doing here Got to get my senses clear

Stumble up to the counter Catch the tension in the air Black Sabbath drive a young boy crazy This ain't no frivolous affair

Young girl sipping Pernod
Budy hunger in her glance
No stoppin' when it comes to doin'
The Heavy Metal Romance

Don't know what I'm doing here Don't know what I'm doing here Got to get my senses clear
