Now the time has come that I'm telling
It's definitely you that I'm wanting
Boom, boom, boom I hear you knocking
Every time you leave I start crying (Don't cry)
Kiss me on the left, kiss me on the right
Whit you're uh uh, boy, you make me happy all night
Boom, boom, boom my heart's going
All I want to do is stay in bed with you

Hey yeah, get down
'Cause all you're gonna give you'll get back from me (You get back to me)
Hey yeah, get down (We had planned baby, let's get back into bed baby)

Monday until Sunday we take for the foreplay
Let's get back to bed, boy (Come on)

April 'til November I will kiss you tender

We'd go for a ride, but now I'm back inside
Droptop Benz with hot boys on the side (That's right)
Pull up to the dough we drove for you and I
Miss Sarah, I want to wear you like a Gucci sweater
To get you all alone in a thong I'd do whatever
Get me a bottle of Dom, I do it better
Wake up in the morning, baby, stuck together you and I

Hey yeah, get down (Get down)
