

So

Sarah Geronimo

I hear you calling my name
Where I have gone you have followed
Waiting for me to wake up and see the light

Gone to the ends of the world
Searching for love everlasting
It seems now that I have only to fly to you
To find it

So... now I know...
Now I've learned
Now I return
Now I run to the one who loves me so

Wondered where home was for me
Search far and wide for the answer
When all along my heart belonged with you
With you

You come to me wherever I go
I have come to love you
I have come to love you...
