

Hit Me

Savages

Oh tell me
Tell me I'm miserable now
Oh cherie, can you tell me
I took a beating tonight
And that's was the best I ever had

Tell me, tell me, tell me
Help me, will you help me
Tell me, tell me, tell me
Hit me, will you hit me now

I think I'm ready tonight
I think I'm ready tonight
I think I'm ready tonight

Oh hit me
Hit me with your hands
Oh its the only way I ever learn
Oh if hell is
If hell is a dog fight

I think I'm ready tonight
I think I'm ready tonight
I think I'm ready tonight

I'm ready, I'm ready, I'm ready, I'm ready
