Sometimes I think about the way my life is supposed to be That I am what I am and that's enough for me I'm doin' fine, I'm doin' alright
Gonna be with my baby tonight

You can make it, you can break it, and you can be what you wanna be

I'm happy with the world around, it's good enough for me
'Cause I'm doin' fine, I'm doin' alright
Gonna be with my baby tonight

No worries, feeling fine When she's by my side No worries, that girl is mine And she'll be by my side

You can make it, you can break it, and you can be what you wanna be

I'm happy with the world around, it's good enough for me 'Cause I'm doin' fine, I'm doin' alright
Gonna be with my baby tonight

You can make it, you can break it, and you can be what you wanna be

I'm happy with the world around, it's good enough for me 'Cause I'm doin' fine, I'm doin' alright
Gonna be with my baby tonight
I wanna be with my baby tonight
