

# Heart Don't Fall Now

Sawyer Brown

Here she comes again, but me and you  
We're gonna close the door  
We won't let her in, we're not gonna do it, like we've done before  
Stay here with me, keep a steady beat  
But not too loud, she might be listening

Oh heart, don't fall now  
If you do I might never bring you back around  
Heart take it slow, don't let her know  
Just how much we really need her now  
Heart, don't fall now

She can break me down but she won't get through  
If you'll be on your guard, when she reaches out  
Oh, I'm counting on you, not to fall apart  
Here comes that touch  
We've been missing for such a long, long time  
I feel you giving in

Oh heart, don't fall now  
If you do I might never bring you back around  
Heart take it slow, don't let her know  
Just how much we really need her now  
Heart, don't fall now

You'll pull it off some how  
This can be our finest hour  
Ah, heart without you  
I might not get through it  
Don't know if I can do it

Oh heart, don't fall now  
If you do I might never bring you back around  
Heart take it slow, don't let her know  
Just how much we really need her now  
Heart, don't fall now
