

The Pimp

Scarface

I like pussy, pussy's got me crazy
Well-shaped, light skinned, clean lady
Slapped me on the rump, ?oh my brother?
And dived straight for the covers
One leg down one leg up
That's the way I like to fuck
I can fill in guts
And I'm done once I bust me a nut
You can even suck it baby
Dick suck just drive me crazy
Aw yeah, suck it fast
Now let your tongue slide across my ass
Lick the cum from my dick
Yeah, that's it.
Now turn over on your stomach
Open up, and let me run it
In that ass, bitch
This is what I call fuckin shit
"Oh shit, brad"
Loosen up, and it won't hurt so bad
I like to fuck till the rubber smokin
Switch up and keep on strokin
Bitches walk out the crib with a limp
Cuz I'm the motherfuckin pimp

I was kinda lonely last week
So I called up bitch bad-ass freak
The bitch had a man and three kids
I just wanted to fuck her that's exactly what I did
I guess her husband aint packin
Cuz the bitch is damn sure fuckin action
But what he don't know won't hurt him, shit
Cuz see, I don't love that bitch
All I want to do is get a dick sucked
And a real quick nut
Knocked on my door at ten thirty
The first thing she said was don't hurt me
I cracked a little smile and just laughed
And got dead in that ass
I had the bitch screamin bloody murder
My next door neighbours even heard us
But I aint give a fuck, my brother
The bitch shouldn't've came by to let me fuck her
Pulled it out and laid it on her chest
And put her titties to the test
I made her hold it snug like a glove
I had to get a little dookie love
Yeah that's right, butt-fuckin
Then a real good dick suckin
The whole neighbourhood heard us
But I don't like to pay for my service
One more bitch with a limp
Cuz I'm the motherfuckin pimp
