The Best Is Yet To Come

Scorpions

- Across the desert plains
 Where nothing dares to grow
 I taught you how to sing
 You taught me everything I know
 And thought the night is young
 And we don't know if we'll live to see the sun
- R1: The best is yet to come I know, you know That we've only just begun Through the highs and lows And how can I live without you You're such a part of me And you've always been the one Keeping me forever young And the best is yet to come
- R2: Hey-ah hey-oh Don't look now, the best is yet to come Hey-ah hey-oh Take my hand, the best is yet to come
- 2. Thinking of the times How we laughed and cried I wouldn't change a thing I couldn't even if I tried Through the wind and rain The spirit of our song remains the same
- R1: And the best is yet to come...
- R2: Hey-ah hey-oh Don't look now, the best is yet to come Hey-ah hey-oh Take my hand, the best is yet to come
- *: Oh can you feel it in the air It's in your heart and everywhere We got to keep that dream alive
- 3. We cross another road And face another day Soldiers never die They only fade away How can we grow old When the soundtrack of our lives is rock and roll
- R1: And the best is yet to come...
- R2: Hey-ah hey-oh... (2x)
