

## Punch In The Nose

Sebadoh

Well I'm acting like a guy who just knows  
'cause I'm lookin' for a punch in the nose  
I'm just lookin' for a punch in the nose  
You can be my best friend  
Or at least you can pretend  
I'm not lookin' for a punch in the nose  
If I say everything stinks  
It's 'cause I'm bobbling for my own link  
Pray not lookin' for a punch in the nose  
I'm not lookin' for a punch in the nose
