## **Punch In The Nose**

## Sebadoh

Well I'm acting like a guy who just knows 'cause I'm lookin' for a punch in the nose I'm just lookin' for a punch in the nose You can be my best friend
Or at least you can pretend
I'm not lookin' for a punch in the nose
If I say everything stinks
It's 'cause I'm bobbling for my own link
Pray not lookin' for a punch in the nose
I'm not lookin' for a punch in the nose
