

1. Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me

So use it and prove it
Remove this whirling sadness
I'm losing, I'm bluesing
But you can save me from madness

2. Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me

So save me I'm waiting
I'm needing, hear me pleading
And soothe me, improve me
I'm grieving, I'm barely believing now, now

- R: When you are flying around and around the world
And I'm lying alone
I know there's something sacred and free reserved
And received by me only

3. Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile
And you use it only for me

So use it and prove it
Remove this whirling sadness
I'm losing, I'm bluesing
But you can save me from madness now, now

- R: When you are flying...

Nobody knows it but you've got a secret smile
And you use it only for me
Nobody knows it but you've got a secret smile

Nobody knows it Nobody knows it
Nobody knows it but you've got a secret.
