

## New Beginning

Shannon Noll

If I had know what you'd of say  
I would of turned and walked away  
Can't hold the tears even though I try  
'Cause there's nothing quite as sad as goodbye

Don't want to think about tomorrow  
You won't be here by my side  
All of a sudden I feel hollow  
'Cause nothings quite as sad as goodbye

So I'm alone again  
Trying to find the ticket to the nxt train (to the next train)  
I'm on my own again  
Waiting in the line  
For a new (new) beginning (new beginning)

I know that we are better off  
Still I feel that I've lost  
Wen I look into your eyes  
There's nothing quite as sad as goodbye

So I'm alone again  
Trying to find the ticket to the next train (to the next train)  
I'm on my own again  
Waiting in the line  
For a new (new) beginning (new beginning)

Back to where I started  
Try my love again  
Now I've got my heart set  
On a better day  
Who's to say what's waiting?  
Just around the bend  
Can't do more then hope and pray for a better day

So I'm alone again  
Trying to find the ticket to the next train (to the next train)  
I'm on my own again  
Waiting in the line  
For a new (new) beginning  
Whoa  
Yeah  
I'm on my own again  
For a new beginning, oh yeah  
New beginning.
