

# Everything Is Broken

Sheryl Crow

Broken lines, broken strings  
Broken threads, broken springs  
Broken idols, broken heads  
People sleeping in broken beds  
Ain't no use jiving  
Ain't no use joking  
Everything is broken

Broken bottles, broken plates  
Broken switches, broken gates  
Broken dishes, broken parts  
Streets are filled with broken hearts  
Broken words never meant to be spoken  
Everything is broken

Seem like every time you stop and turn around  
Something else just hits the ground

Broken cutters, broken saws  
Broken buckles, broken laws  
Broken bodies, broken bones  
Broken voices on broken phones  
Take a deep breath, feel like you're chokin'  
Everything is broken

Broken hands on broken ploughs  
Broken treaties, broken vows  
Broken pipes, broken tools  
People bending broken rules  
Hound dog howling, bullfrog croaking  
Everything is broken

Every time you leave and go off some place  
Things fall to pieces in my face

Broken hands on broken ploughs  
Broken treaties, broken vows  
Broken pipes, broken tools  
People bending broken rules  
Hound dog howling, bullfrog croaking  
Everything is broken

Everything is broken  
Everything is broken  
Everything is broken  
Everything is broken  
Broken, broken  
It's all fall down  
Everything I see is broken, broken  
Everything is broken  
Everything is broken  
Everything is broken  
Everything is broken
