Something

Shirley Bassey

Ooooohhhhhh, uhhhhhh, ohhhhhhh

Something in the way he moves Attracts me like no other lover Something in the way he woos me

I don't want to leave him now You know I believe him how

Somewhere in his smile, he knows That I don't need no other lover Something in his style that shows me

I don't want to leave him now You know I believe him how

You're asking me will my love grow I don't know, I don't know You stick around now, it may show I don't know, I don't know

Something in the way he knows And all I have to do is think of him Something in the things he shows me

Don't want to leave him now You know I believe him how

You're asking me will my love grow I don't know, I don't know You stick around now, it may show I don't know, I don't know

Something in the way he moves Something in the way he knows Something in the way he smiles Something
