

# You Stepped Out Of A Dream

Shirley Horn

You stepped out of a dream  
You are too wonderful, to be what you seem  
Should there be eyes like yours?  
Should there be lips like yours?  
Should there be smiles like yours?  
Honest and truly

You stepped out of a cloud  
I wanna take you away, away from the crowd  
And have you all to myself  
Alone and apart out of a dream  
Safe in my heart

You stepped out of a dream  
You are too wonderful, to be what you seem  
Should there be eyes like yours?  
Should there be lips like yours?  
Should there be smiles like yours?  
Honest and truly

You stepped out of a cloud  
I wanna take you away, away from the crowd  
And have you all to myself  
Alone and apart out of a dream  
Safe in my heart

You stepped out of a cloud  
I wanna take you away, away from the crowd  
And have you all to myself  
Alone and apart out of a dream  
Safe in my heart  
Out of a dream  
Safe in my heart
