Much Love

Shola Ama

(Ad lib) When we're together you look at me And I see forever with you One thing I know you got me hooked There's nothing that I wouldn't do, yeah Every day I wanna be with you And every day I just wanna give you Much more love Much love It's all for you, baby No one makes me feel like you do I got much love It's all for you, baby I can't hide what's inside for you Baby, get with me so you can see That no one is for you like me, no. no Don't be afraid, my love is real I've got something you can feel, yeah Every day I wanna be with you Every day, baby, I-And every day 1 just wanna give you I just wanna give you more love (* Repeat 2 times with ad lib) Break it down, yeah Come on now, get with it I just wanna give it, baby Come on now, get with it I want you to hit it, baby (*Repeat and fade with ad lib)
