

Can't Fool Me

Shotgun Messiah

I can't walk a straight line, no
Can't stand being told what to do

I can't take it
Gotta break it down

You say I gotta straighten out
You think you know what I'm all about

You don't own me
Don't even know me

You can't fool me, I do what I want
Control me, I do what I please
You can't fool me, I do what I want
I do what I want, I do what I damn well please

No way I'm gonna give a damn
This time I'm not gonna play your game

I do my thing
Go down fighting

You can't fool me, I do what I want
Control me, I do what I please
You can't fool me, I do what I want
I do what I want, I do what I damn well please

You can't fool me, I do what I want
You can't fool me, I do what I plesase

You can't fool me, you can't fool me
You can just suck my...

You can't make me
You can't break me
You don't own me
Don't even know me

You can't fool me, I do what I want
Control me, I do what I please
You can't fool me, I do what I want
I do what I want

You can't fool me, I do what I want
Control me, I do what I please
You can't fool me, I do what I want
I do what I want, I do what I damn well please

I do what I damn well please
Fuck you, man
