

No Turn Un-Stoned

Shpongla

I am I am
I am I am
I am I am
I am I am

Like a madman groping in a dark room
Seek the light to burn away the gloom
I've lost my mind but my feelings are true
Everything I do, I offer to you

Now I've found you
We can make our own luck
Devour me first, or I shall eat you up
Come close your eyes, wake yourself from these dreams
Reality is ripping at the seams
Ripping at the seams
Ripping at the seams
Ripping at the seams

Come close your eyes at last and wake yourself from evil dreams
Come drown with me in love's deep and shoreless sea
Together we'll escape so take my hand and let us fly to Shpongla
eland
Together we will float away away
Float away

I plunge along into the boundless ocean of you
The ocean of you
Come drown with me in love's deep and shoreless sea
We wander in and out of our heads, no turn unstoned, all words
unsaid
Together we will float away away
Float away
