## **Spring Will Be a Little Late This Year**

## **Simon Carly**

Spring will be a little late this year a little late arriving, in my lonely world over here For you have left me and where is our April love old Yes you have left me and winter continues cold As if to say that spring will be a little slow to start A little slow reviving that music it made in my heart Cause time heals all things, so I needn't cling to this fear It's merely that spring will be a little late this year Yes time heals all things so I needn't cling to this fear It's merely that spring will be a little late this year
