

Got Me

Sinead Harnett

It feels so cold,
Everytime I try to reach you out
You fade away, yeah
And I feel so cold
Like a minute touring down by
I slip away

I don't know what it is,
I don't know what it is,
I don't know what it is,
That stops me
I don't know what it is,
I don't know what it is,
I don't know what it is,
Since you got me
You got me
You've got me

The dawn will come,
When you rise to all my power
I'll lead the way, oh
And I won't give up
And I won't give up
When the light hits the shadows
It's you who will follow me, me yeah

I don't know what it is,
I don't know what it is,
I don't know what it is,
I don't know what it is,
I don't know what it is,
I don't know what it is,
I don't know what it is,
I don't know what it is,
I don't know what it is,
That stops me
I don't know what it is,
I don't know what it is,
I don't know what it is,
Since you got me
You got me
You've got me.
