

## Torn to the Bone

Six Feet Under

Blood on skin, so pale  
Stained and cold  
there's something I've wanted  
for so long

the taste of flesh  
hunger for blood  
sever the skin  
torn to the bone

fresh blood bleeds  
dripping from wounds  
veins leak  
as skin turns blue

the taste of flesh  
hunger for blood  
sever the skin  
torn to the bone

Bodies ripped apart  
skin begins to rot  
injest the infection  
of the dead

Blood on skin, so pale  
stained and cold  
this is something I've wanted  
for so long

the taste of flesh  
Hunger for blood  
Sever the skin  
torn to the bone
