## **Don't Dream It's Over**

## **Sixpence None The Richer**

1. There is freedom within There is freedom without Try to catch the deluge in a paper cup

There's a battle ahead

many battles are lost
But you'll never reach the end of the road
While you're traveling with me

- R: Hey now, hey now
  Don't dream it's over
  Hey now, hey now
  When the world comes in
  They come, they come
  To build a wall between us
  We know they won't win
- 2. Now I'm towing my car There's a hole in the roof My possessions are causing me suspicion but there's no proof In the paper today Tales of war and of waste But you turn right over to the TV page
- R: Hey now...
- 3. Now I'm walking again
  To the beat of a drum
  And I'm counting the steps to the door of your heart
  Only shadows ahead
  Barely clearing the roof
  Get to know the feeling of liberation and relief
- R: Hey now...

Hey now, hey now
Don't dream it's over
Hey now, hey now
When the world comes in
