

# Can't Get Used To Losing You

Skeeter Davis

Guess there's no use in hanging 'round  
Guess I'll get dress and do the town  
I'll find some crowded avenue  
Though it will be empty without you.

Can't get used to losing you  
No matter how what I try to do  
Gonna live my whole life through  
Loving you.

Called up some boy I used to know  
After I heard him say hello  
Couldn't think of anything to say  
Since you're gone it happiness every day.

Can't get used to losing you  
No matter how what I try to do  
Gonna live my whole life through  
Loving you.

I'll find somebody wait and see  
Who am I kiddin' only me  
'Cause no one else could take your place  
Guess that I'm just a hopeless face.

Can't get used to losing you  
No matter how what I try to do  
Gonna live my whole life through  
Loving you.

I can't get used to losing you  
No matter how what I try to do  
Gonna live my whole life through  
Loving you...
