

Social Deception

Skinny Puppy

Elladonna
Each cry
Passing incandescent creatures
Dark recess

Living is hot
To retort
Haunted seek prevent
Evaporate
Teaching nothing new
No truth
Conform, conform, conform, con-
Conflate in the forest
Everything that's hot
It's melody
Morality, morality

It's him the beast
Forest creeps
Steep rocks
The paws bleed
Waving her
A cold rabies whir
Seeking a gut clench
Best prolong the dread
The fiends set upon him
To tear to pieces
Him heart to hide

Eyes feeling
Credibly rapidly
Definitive bits
Contemplate edify my grace
Blood [peaks/beaks?]
