

Don't Say Anything

Sleeping with Sirens

Why are you so pissed off?
I can hear it through the wire
It's late now, why aren't you sleeping?
Shouldn't you be in bed

Come on and state your case
Don't leave me in the dark
I hear the silence on the line
Yeah, all those broken parts

I gave you the part of me
The only one that you could see
Tell me it doesn't mean a thing

Breathe in, breathe out
Someway, somehow
Say it all say it now
Or don't say anything
All in, all out
Someway, somehow
Say it all say it now
Or don't say anything

God, I hate this place
I hate the space between us
Lost in the grey unknown
There's still so far to go

I gave you the part of me
The only one that you could see
Tell me it doesn't mean a thing

Breathe in, breathe out
Someway, somehow
Say it all say it now
Or don't say anything
All in, all out
Someway, somehow
Say it all say it now
Or don't say anything (Don't say anything (3x))
Oh, you're the sweetest thing
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na

Why are you so pissed off?
I can hear it through the wire
It's late now, why aren't you sleeping?
Shouldn't you be in bed

Breathe in, breathe out
Someway, somehow
Say it all say it now
Or don't say anything
All in, all out
Someway, somehow
Say it all say it now

Or don't say anything (Don't say anything (3x))
Oh, you're the sweetest thing
