

# I Wish It Hadn't Happened

Sonny James

Oh I wish it hadn't happened I wish it hadn't happened  
It wasn't worth the pain I'm going through  
Oh I wish it hadn't happened I wish it hadn't happened  
It wasn't worth the price of losing you

I fell in love with a new love I thought my new love was true l  
ove  
I swapped the perfect apple for a bad one now I'm the sad sad s  
ad sad sad one  
Oh I wish it hadn't happened...  
Oh I wish it hadn't happened...
