

## Sing And Dance

Sophie Zelmani

It's hard to know the secret  
It shocked the hell out of me  
I hope i'm not looking jealous  
Of your way of staying free  
But how, and why  
What was it you were telling me

You're washing up your scruples  
Then your hanging them to dry  
I can see your good intentions  
Even if your lie  
Your fingerprints 're all over  
But no one knows they 're there  
I'm only getting to know you  
But you're not playing fair

I thought the thing you're doing  
Is the last thing that you'd do  
It's only in my nightmares  
It goes as far as you  
But it's always a pleasure  
To sing and dance with you

You're taking a lot of many  
And you taste it on your own  
Wonder what is gonna matter  
When most of it has gone  
I wanna hear all about it  
Since you're sitting next to me  
But tell me you're unusual  
That it won't be the thing for me
