

Tied to the Tracks

Soul Asylum

What are you doing here in my nightmare
In my nightmare
Stepping back into the stupidity gets me nowhere
Gets me nowhere

Look at you now, you look like an angel in hell
Look at you now, drowning in your wishing well
Look at you now, all those stories and there's no one to tell
Look at you now
Do you think you can find a place for your dreams in my nightmare

And you're tied to the tracks but the train broke down
Wake me up and let me go and somebody I used to know
From somewhere in my nightmare
Don't you remember the years we got nowhere
We got nowhere

Look at you now, you look like an angel in hell
Look at you now, drowning in your wishing well
Look at you now, all those stories and there's no one to tell
Look at you now
Do you think you can find a place for your dreams in my nightmare

And you're playing with a deck of jokers, but there's always one more sucker
And you're tied to the tracks but the train broke down
Trapped at the top of the merry-go-round
But it won't let you down

Look at you now, you look like an angel in hell
Look at you now, drowning in your wishing well
Look at you now, all those stories and there's no one to tell
Look at you now
Do you think you can find a place for my dreams
