

Pharaoh's Chariot

Soulsavers

To thank you jealous heart I ...put you in the ground Teh drive
r rides the rain The trumpeter he sounds As blood is to the roo
t, is ...silver to the crown Take it as you may My love has gon
e away

Then it all comes to nothing, ...then it all comes to nothing

To break you jealous heart I build to tear it down The timber f
rom the walls The make up from the clown And dirt is to the gra
ve as water to the drowned So long to my slave My wheel's benea
th the waves

Then it all comes to nothing, ...the it all comes to nothing
