Little Fat Baby

Sparklehorse

Did you save your wisdom teeth? Did you burn your Christmas tree? But he got dragged by a donkey Through the dirt and the myrtle But he was once a little fat baby Did you lose your fatty in the bath? Did you make the city slickers laugh? He got dragged by a donkey Through the glass and the myrtle But he was once a little fat baby Did you burn your wisdom teeth? Did you save your Christmas tree? He got dragged by a donkey Through the switches and the myrtle But he was once a little fat baby
