## **Bessy's Last Journey**

## **Spiderbait**

Everybody needs a holiday Everybody wants to get away Don't you want a week of Saturdays? Everybody needs a holiday

Give yourself a break from every day
Take your troubles, pack them right away
It's so easy just to sail away
Everybody needs a holiday

It's a pretty day to get away Such a pretty day to get away Everybody needs a holiday

Take a trip out to the Milky Way Stay inside and order takeaway Don't you know the way to San Jose? Everybody needs a holiday
