

## Love In Return

Spoken

You are the one I always wanted  
The one I always needed  
To share my life with you, only you  
I'll spend a lifetime right by your side  
Cause you're the one I dreamed about  
The one I always dreamed about  
And she said...the only thing I'm asking  
Is for you to love me the same way that I love you  
The only thing I'm asking is for you to love me in return  
To be the one you always wanted  
The one you always needed  
To prove my love for you, to cherish you  
To spend a lifetime right by your side  
To be the one you dream about  
The one you always dreamed about  
And she said...  
People change but a promise stays the same  
I'll be the one, I'll be the one you dreamed about  
All I wanted, all I needed...
