

## Drownin'

Sponge

Will I hate tomorrow  
Will I hate what I can't  
See  
I'm doubting should I walk  
Around it  
Try to be what I can't be  
I'm dying

I'm not happy anymore  
I'm just not happy anymore  
I'm drownin'

Suppose you painted the  
Castle of Auvers  
But everything you did  
Came alive  
And if you painted all  
These things just to  
Please me  
And if you could read my  
Mind

I would never be happy  
What will change tomorrow  
In this sea within a sea  
I'm blinded

How long will I be down  
Here  
I'm out of air  
I can not breathe  
I'm drownin'
