

Oh My God

St. Vincent

The dishes in the sink
Don't care if I wake late
Or soak till the bath goes cold
Leave the bed unmade
Cause when the drink goes in
The devil comes out
Days go by
Still the past don't seem so far
The drink goes in
The devil comes out
Days go by
Still the past don't seem so far

Oh my God
Oh my God

The plants in all the windows
Aren't listening for the door
Or counting all the footsteps
Keeping the bath warm
Cause when the drink goes in
The devil comes out
Days go by
Still the past don't seem so far

The drink goes in
The devil comes out
Days go by
Still the past don't seem so far

Oh my God
Oh my God

Oh you're gone
Oh you're gone
Oh you're gone
Oh my God
Oh my God
Oh my God
Oh my God
