100 miles and runnin'
Always into something
Yelling fuck the police
Like I'm straight up out of Compton
Real niggas don't die
Appetite for destruction
Just a nigga with an attitude
Always into something

Impala on eights, dope boys on crates Swiss movement on watch, 45 on the waist Got a million dollar hustle, a rich nigga face White cocaine, rack it up on the plate Alpina Beamer with the cavalier plates My niggas dribble down in VA on the run from the DEA That's when niggas wore button ups and white ups like H O V A, and everybody had Ye before 808s & Heartbreak The streets was a shark tank, put money in the gold link And loyalty was everything Your lady held you down, with or without a wedding ring Selling dope wasn't settling If you could smoke it they was selling it Hard grind peddling A street nigga pedigree, tryna leave a kingpin legacy Pockets fat like Ledisi, thank you to the heavenly Father for them dollars, I got it straighter than the letter T
