

## Keep 'Em Coming

### Status Quo

Keep 'em coming, nose to tail  
Keep 'em coming, love for sale  
Alloy spokes, leather trim  
Walnut dash looks good on him  
Twenty-four valves set to sing

Keep 'em coming, furry dice  
Keep 'em coming, well ain't that nice  
Auto sunroof, heated seat  
Air conditioned naturally  
About as cool as I can be

Keep 'em coming, keep 'em coming

Cruise control the motorway  
It's the freedom that I love  
And I want to sail, I want to sail  
Away, away, away  
Away, away, away

Keep 'em coming, nodding dog  
Keep 'em coming, I love that smog  
Longer hoods, wider boots  
Sell me one that loops the loop  
Before we all go down the tubes

Keep 'em coming, knock 'em out  
Keep 'em coming, cruise control the motorway  
It's the freedom that I love  
And I want to sail, I want to sail  
Away, away, away  
Away, away, away
