

# Melody

Steve Perry

Melody  
Even in my life's confusion  
I still feel you near

In my dreams  
Telling me you're not illusion  
You belong to me

Melody, I believe in you  
(Melody)  
Melody of my heart  
(Melody)  
Melody I still reach for you

Hold me melody  
Hold me melody

All my life  
I'm caught between a rhyme and reason  
Why you're here with me

Hold me now  
Tell me all the answers that my  
Heart will ever see

(Melody)  
Melody I believe in you  
(Melody)  
Melody of my heart  
(Melody)  
Melody I still reach for you

Hold me melody  
Hold me melody

(Melody)  
Melody I believe in you  
(Melody)  
Melody of my heart  
(Melody)  
Melody I still reach for you

Hold me melody  
Hold me melody
