

Family Affair

Steve Winwood

It's a family affair
It's a family affair
It's a family affair
It's a family affair

One child grows up to be somebody who just loves to learn
And another child grows up to be someone who needs concern
Mother loves the both of them, you see it's in the blood, yeah
Father loves the both of them, blood's thicker than mud

It's a family affair
It's a family affair
It's a family affair
It's a family affair
It's a family affair

Newly-wed a year ago, still checkin' each other out, yeah
Nobody wants to blow, nobody wants to be let down, yeah
Cannot leave 'cos your heart is there
But you cannot stay 'cos you've been somewhere else
You cannot cry 'cos you look broke down
But you cry anyway 'cos you're all broke down

It's a family affair
It's a family affair
It's a family affair
It's a family affair
It's a family affair

It's a family affair
It's a family affair
It's a family affair
It's a family affair

It's a family affair
It's a family affair
It's a family affair
It's a family affair
