

# No Better Place

Steven Curtis Chapman

I was eight years old  
When I decided to follow Jesus, yeah  
I started down that road  
Somebody told me that this path that leads to Heaven  
Will not be the easy way  
Well I found that to be true  
But I also found, (also found)  
I found out there's

No better place on earth  
Than the road that leads to heaven  
No other place I'd rather be, yeheh  
No better place on earth  
Than the road that leads to heaven  
No better place to be, yea

Well I know this road  
Has a final destination, oh  
But I also know  
That if we're only looking for the prize that's waiting  
We'll miss so much along the way  
Cause Jesus came to give us life in the here and now  
(here and now)  
And to show us that there's

No better place on earth  
Than the road that leads to heaven  
No other place I'd rather be, yeheh  
No better place on earth  
Than the road that leads to heaven  
No better place to be

I know this path we travel along  
Is very straight and narrow  
But I've looked down other roads along the way  
And from all I've seen I can say without a doubt there's
