

All in Love Is Fair

Stevie Wonder

All is fair in love, love's a crazy game
Two people vow to stay in love as one they say
But all is changed with time, the future none can see
The road you leave behind, ahead lies mystery
But all is fair in love, I had to go away

A writer takes his pen to write the words again
That all in love is fair

All of fate's a chance, it's either good or bad
I tossed my coin to say in love with me you'd stay
But all in war is so cold, you either win or lose
When all is put away, the losing side I'll play
But all is fair in love, I should've never left your side

A writer takes his pen to write the words again
That all in love is fair
A writer takes his pen to write the words again
That all in love is fair
