

# I Wanna Talk to You

Stevie Wonder

M-m-m-m-m-m-m-m-m-m-m-m-m-m-m

Lord, Lordy, Lordy  
Standing here on my own side  
Waitin' Fo' the floor  
Your world's movin' fast  
But still ends up a bore  
Come on give me a little room na  
Do you have to take it all  
Yeah that's the way it is I guess  
Then you're born with nothin' at all

Uh- Uh- Uh- Uh- Uh- Uh- Uh  
I wanna talk to you  
I wanna talk to you  
Hey boy don't feel my world's untrue  
Yeah, I wanna talk to you  
My world can be true  
I wanna talk to you

Pick up my life at the table  
Read about the way I could be  
But I know I just ain't able  
So I read about the real me  
Who can I blame  
For the way I am  
I ain't never had one soul to help me  
So I don't give a.....

Uh- Uh- Uh- Uh- Uh- Uh- Uh  
Watch that boy, watch that  
I heard you thinkin'  
I wanna talk to you  
I wanna talk to you  
Don't feel my world's untrue  
Yeah, boy I wanna talk to you  
My world can be true  
But you gotta find out what to do  
I wanna talk to you sonny beau

Gotta woman that lov' me  
Feed me beans ev'ry night  
Twelve babies look up at me  
Wid Big grey hungry eyes  
Oh but I just can't complain  
You see ya, said I ain't allowed  
Oh but pretty soon will come a change  
When I gain the biggest mouth

Uh- Uh- Uh- Uh- Uh- Uh- Uh  
I wanna talk to you  
I wanna talk to you  
Don't feel my world's untrue  
Yeah boy , I wanna talk to you  
My world can be true  
I'm a show you what to do  
I wanna talk to you

Hey don't wanna talk to you  
What you mean by that boy  
I don't wanna talk to you  
I recognize you as being a human being  
I've been listening to you for 250 thousand years  
I called you Steve when you were amongst my friends  
Don't wanna talk to you  
I wanna talk to you  
Too late  
Naw boy  
Too late I can't wait  
Naw  
Don't wanna talk to you

You can have dinner with me next week  
and after that you can mow my lawn  
Hey don't wanna talk to you naw  
Understand me  
You can't tell me nothin' white man  
Try to understand yourself  
Oh I don't wanna say a word to you  
Do ya understand me  
Naw I don't hear ya - I wanna talk  
Too late  
Naw it ain't  
Can't wait  
Yes, ya can  
Don't wanna talk to you  
Ah Stevie boy  
Hey I don't need you for nothin'  
Come on Stevie let's talk na  
Don't wanna talk to you

You know I'm ya friend  
I'm gonna take my share

Can't wait  
You my brother na  
Don't care about your sake
