Love Light in Flight

Stevie Wonder

Make me feel like paradise Give me what I'm missing Send me to the highest heights Take me up and away

I've tasted love so many times With something always missing But I know that you got the kind To take me up and away

I know that our journey
Will be filled with passion, love and pleasure
Touching down where only
Satisfaction's guaranteed
We won't let our feelings
Auto pilot perfect navigation
Sending us to love bliss
Like no one ever knew could be

Make me feel like paradise
Fill me with your kisses
Make the moment feel just right
Take me up and away

'Cause I have waited all my life / Flying high For the one worth giving / Love sky high And I don't have to think twice / Flying high Let's go up and away

[Background]
Love light in flight
Fuel injection passion
[Repeat 1 time]

[Background] - Flying high, love sky high

We need just to feel it
To know that our loving has the power
Showing that these feelings
Emanate from you and me
With love high aviation
We will fly forever and one hour
Giving us the always
To live out all our fantasies

Make me feel like paradise Give me what I'm missing Send me to the highest heights Take me up and away

I've tasted love so many times / Flying high With something always missing / Love sky high But I know that you got the kind / Flying high To take me up and away
