

Someone To Watch Over Me

Sting

There's a saying old says that love is blind
Still were often told "seek and you shall find"
So i'm going to seek a certain girl i've had in mind
Looking everywhere haven't found her yet
She's the big affair i cannot forget
Only girl i ever think of with regret
I'd like to add her initial to my monogram
Tell me where is the shepherdess for this lost lamb?

There's a somebody i'm longing to see
I hope that she turns out to be
Someone who'll watch over me

I'm a little lamb who's lost in the wood
I know i could always be good
To one who'll watch over me
Although i may not be the man some girls think of as handsome

To her heart i carry the key
Won't you tell her please to put on some speed, follow my lead
Oh, how i need someone who'll watch over me

There's a somebody i'm longing to see
I hope that she turns out to be
Someone to watch over me

I'm a little lamb who's lost in the wood
I know i could always be good
To one who'll watch over me

Although i may not be the man some girls think of as handsome
To her heart i carry the key
Won't you tell her please to put on some speed, follow my lead
Oh, how i need someone to watch over me
