

# Making It Hard

Stone Gods

Get a move on, its gonna be late,  
Don't have the time to put my faith in fate,  
Losing face with my mates,  
Gotta reach second base,  
So get a move on,

I thought the floodgates would open with the second  
kiss,  
Get on the boat or its gonna be missed,  
Standing in line, for too long a time,  
So get a move on,

(Makin' it hard)  
I can't take this,  
(Makin' it hard)  
We can't stop this,  
(Makin' it hard)  
Make your mind up,  
(Makin' it hard)  
Cos our time is moving on,  
You're makin' this too hard for me,

You're a mild woman, I wanna take it slow,  
But I'm running low on furnaces,  
So throw me out or throw me a bone,  
It's been three dates, three weeks, twenty-one clean  
sheets,  
Keep me waiting, dinner dating,  
Sick and tired of buying the rounds,

(Makin' it hard)  
I can't take this,  
(Makin' it hard)  
We can't stop this,  
(Makin' it hard)  
Make your mind up,  
(Makin' it hard)  
Cos our time is moving on,  
You're makin' this too hard for me

(Makin' it hard)  
I can't take this,  
(Makin' it hard)  
We can't stop this,  
(Makin' it hard)  
Make your mind up,  
(Makin' it hard)  
Cos our time is moving on,  
You're makin' this too hard for me
