Sit With The Guru

Strawberry Alarm Clock

Life's created, automated Yesterday's invalidated Hip mankind on, turn your mind on Sit with the guru Meditation, ooo-ooo, high, high where eagles fly Leave today untouched in the sky Stretch out your mind to humanity How many tomorrows can you see Good life livin', party givin' No one walks who can be driven Blunt the starkness, light the darkness Sit with the guru Meditation, ooo-ooo, high, high where eagles fly Leave today untouched in the sky Stretch out your mind to humanity How many tomorrows can you see How many tomorrows can you see Pussy willows, dew-kissed pillows Silver cloud puffs up and billows Full potential, transcendental Sit with the guru Meditation, ooo-ooo, high, high where eagles fly Leave today untouched in the sky Stretch out your mind to humanity How many tomorrows can you see How many tomorrows can you see
