

Absent Minded Me

Barbra Streisand

Absent minded me
Absent minded me
I'm losing a key
Or missing a glove
Just like me to lose my love
Gotta find it, absent minded me
Dizzy dopey me
Mixed-up mopey me
I'm way, way ahead
Of the game then it starts
How did I lose my king of hearts?
Gotta find it, absent minded me
There's my key
Gee, I left it in the door
There's my glove on the shelf
Now if I don't find my love
I'll be losing myself
Gotta find him
Gotta find him
Absent minded me
Absent minded me...
