

Mom And Dad And God

Suburban Lawns

Dad's a perfectionist
And Mom's a beautician
He is into sin
She's into contrition
Mommy is a martyr
Dad's a professional
Fantasy love inside a confessional

Mom and Dad and God

Mom and Dad and God

This endless repetition
Of mundane superstition
Is no kind of religion for me
Your mindless devotion
Your lack of emotion
Is no kind of religion for me

Mom and Dad and God
