

# Confused

Sylver

So dark and deep  
all the shadows on the wall  
they seem as real  
as Dali's creatures, great and small

My hope is gone  
all my demons come to call  
from dusk 'till dawn  
I look for shelter from it all

My life's so confused  
and I try to stumble through the day  
my mind's abused  
all these thoughts forever stay

My life's so confused  
and I try to stumble through the day  
my mind's abused  
all these thoughts forever stay

So dark and deep  
all the shadows on the wall  
they seem as real  
as Dali's creatures, great and small

My hope is gone  
all my demons come to call  
from dusk 'till dawn  
I look for shelter from it all

My life's so confused  
and I try to stumble through the day  
my mind's abused  
all these thoughts forever stay

My life's so confused  
and I try to stumble through the day  
my mind's abused  
all these thoughts forever stay

My life's so confused  
and I try to stumble through the day  
my mind's abused  
all these thoughts forever stay

My life's so confused  
and I try to stumble through the day  
my mind's abused  
all these thoughts forever stay

My life's so confused  
and I try to stumble through the day  
my mind's abused  
all these thoughts forever stay

My life's so confused  
and I try to stumble through the day

my mind's abused  
all these thoughts forever stay

My life's so confused  
and I try to stumble through the day  
my mind's abused  
all these thoughts forever stay

My life's so confused  
and I try to stumble through the day  
my mind's abused  
all these thoughts forever stay
